PICD Dataset Terms of Use

1. Scope of License

The PICD dataset is licensed solely for non-commercial academic research and educational purposes. Any commercial use—including but not limited to profit-making activities, product/service sales, or other revenue-generating endeavors—is strictly prohibited.

2. Open Source Platform Materials

PICD includes public domain or equivalently licensed images sourced from the following platforms. Users are free to download, copy, modify, and redistribute these images, but may not:
- Sell the original images individually, or
- Imply any endorsement or sponsorship by the platforms.

- Flickr: https://www.flickr.com/help/terms

3. Third-Party Dataset Content Guidelines

- Redistributable Content: PICD includes only third-party dataset images that are explicitly permitted for redistribution under their original licenses.
- Retention of Original Information: Users must comply with all copyright notices and license terms. If the original license requires attribution or "share alike," users must adhere strictly to those requirements.
- Link-only Content: For images permitted only via linking, PICD provides one-to-one download links. Users must download such images from the original websites and comply with their terms of use.

4. Usage Restrictions and Prohibited Activities

The following are strictly prohibited:
- Infringing any third-party copyrights, portrait rights, or other legal rights;
- Using the dataset for unlawful surveillance, facial recognition, exploitative content, or other improper purposes;
- Crawling, mirroring, or redistributing content from original platforms or datasets in bulk;
- Selling any PICD content individually or integrating it into commercial products, services, or paid content;
- Removing or altering any copyright notices or license information.

5. Disclaimer and Terms Updates

This agreement is governed by the laws of the People's Republic of China.

The PICD dataset is provided "as is", without any express or implied warranties as to its completeness, accuracy, or suitability for any particular purpose.

Users are solely responsible for any legal liabilities resulting from violation of these terms or the original licenses.

The dataset publisher reserves the right to revise these terms at any time. Updates take effect upon publication. Continued use of the dataset constitutes acceptance of the revised terms.
